**Diabetes Care for
School Nurses
Mini-Workshop**

Thursday, September 11, 2008
4:15 - 6:35 p.m.

Cincinnati Children's Hospital
Diabetes Center

PURPOSE

To demonstrate and discuss self-management skills related to the care of the student with diabetes in the school setting.

AUDIENCE

Must be an RN or LPN to attend.

OBJECTIVES

1. Discuss newer therapeutic agents and technological advancements that impact delivery of care for the student with diabetes.
2. Discuss assessment skills and diabetes treatment algorithms to enable advanced decision making by the school nurse in response to ketones and illness.
3. Discuss pump innovations and troubleshooting skills to enable advanced decision making related to insulin pump therapy.
4. Discuss the relevance of carbohydrates and the determination of bolus calculations for the student with diabetes.

GENERAL INFORMATION

COST: \$25 - Includes refreshments and workshop materials. Checks only will be accepted for payment.

PARKING: No charge for parking.

CONTACT: For questions, you may email Alesia.Mattar@cchmc.org or call (513) 636-9075.

LOCATION: Cincinnati Children's Hospital, Sabin Education Center, Location D, 2nd floor, Room D2.23-26, 3333 Burnet Ave, Cincinnati, OH 45229. For directions, visit our website at www.cincinnatichildrens.org/visit/ Location.
