The Developmental Sequence encourages students with diverse goals to pursue graduate education with us. Briefly describe your goals for your program of study here and indicate your self-reflective assessment of your learning in relation to your goals since you began your graduate work in developmental psychology at ISU.

Funding:

Do you have a Graduate Assistantship Yes No (Circle one)

If so, how many hours per week do you work? _____

Which department is your assistantship in if you have one? _____

Describe any other means of institutional support you have:

Are there any financial concerns related to your education that we should be made aware of (e.g., are you currently employed outside the university?). If yes, please describe.

Please attach a current plan of study, vita, and any other portfolio materials you wish us to review in evaluating your progress in the sequence. Submit all materials to the Sequence Coordinator, Dr. Corinne Zimmerman, by August 31.
