## POLICY/DEPARTMENTAL RESPONSIBILITY

All property that is owned by the University or for which the University is responsible is to be used only for University purposes.

Responsibility for University property rests with Department Heads, Chairpersons, and/or Budget Unit Heads of the various Departments. Property is charged to the Budget Sponsor's account upon acquisition, and is accounted for by a University-wide physical inventory every two years. As a General Policy, University property will not be removed from authorized locations. However, there are instances in which it would be advantageous to allow faculty, staff, or students to remove the property for off-campus usage. When it is determined by the appropriate departmental authority that such is the case, the following policies and procedures shall be observed.

## POLICES AND PROCEDURES

1. Approval to remove University property from authorized locations in University building must be secured from the Department Head, Chairperson, and/or Budget Unit Head who has responsibility for control of the item of University equipment involved.
2. A written record is to be maintained in the office of the approving authority of the authorization to remove such property from University premises. Such record shall include:

  - c. University Inventory Number;
  - d. Name, position classification, residence address, telephone number of the person authorized to remove the item of University property from its University location;

The person authorized to remove the University's property to an off-campus location may be made liable for the costs of repair or replacement of any such University property not so returned.
  - a. The person removing the University's property will acknowledge this responsibility by that person's signature on the University form containing such a statement of responsibility.
  - b. In the event of damage or destruction of the University's property due to fire, flood, windstorm or other natural causes, or in the event of the loss of such property through theft, the person having removed the University's property to an off-campus location shall file a report of loss or damage with the local authority (fire department, police department, or sheriff's office), and furnish a copy of that report to the equipment inventory section of OUHSC.
