The Federal Work-Study Program provides funds that are *earned* through part-time employment to assist students in financing the costs of postsecondary education. In order to be considered for Federal Work Study, you must meet ALL of the following criteria:

3. Demonstrated financial need as determined by your FAFSA application.
4. Enrolled at least half-time (6 hours for undergraduates/5 hours for graduate students) for Fall 2012

I am interested in working in the following area(s), **IF** I am awarded Federal Work-Study aid (check all that apply):

- ☐ On-campus (at UMSL) ☐ Off-campus (community site in Metro St. Louis area)

1. I understand that I cannot apply for Federal Work-Study positions until I have received notice from Student Financial Aid that an award has been made.
2. I do not currently participate in the Federal Work-Study Program and would like to be placed on the waiting list for a Federal Work-Study award for the Academic Year (2012-2013).
3. I understand that funding is very limited for the Federal Work-Study program and that students already participating in the program receive priority over new hires.
4. I understand this request will only be processed if I:
 - Completed a current 2012-2013 FAFSA
 - Meet the eligibility requirements
