## FOR LEVEL CHANGE ONLY

PLEASE INDICATE THE LEVEL CHANGE YOU ARE TESTING FOR.

IS THIS YOUR FIRST ATTEMPT AT THIS LEVEL?

I understand that at the completion of my second long semester of studio instruction at the 1000/2000 level, I must present and pass a performance examination to progress from 1000 to 2000/2000 to 3000 level of studio instruction. I understand components of the examination will include: scales and arpeggios, a prepared work, and sight-reading. I acknowledge that I must attempt and pass all components of the exam with a grade above a C in a jury presentation. If I fail to pass any single component, I understand that I must retake all components of the exam after another long semester of studio instruction. **I fully acknowledge that I will only have two attempts to pass this exam. Failure to pass on the second attempt will result in denied access to studio instruction and music academic classes, and will be DISMISSED FROM THE MUSIC PROGRAM.**
