## Instructions for Completing the Florida WIC Program Medical Referral Form

All shaded areas must be completed in order for the form to be processed.

- Check (✓) YES if the client has been screened and is eligible for Healthy Start. Check (✓) NO if the client is not eligible for Healthy Start. Leave blank if the client has not been screened. <u>Note</u>: Eligibility for Healthy Start does <u>not</u> affect a client's eligibility for WIC.
- 2. Complete the client's name and birth date.
- 3. Optional Information: the client's sex, mailing address, phone number, city, zip code, social security number, and the parent's or guardian's name for infants and children.
- 4. Complete the appropriate shaded section for the client.

**Pregnant Women:** Complete the height and weight measurements and the date they were taken. These measurements are to be taken no more than 60 days before the client's WIC appointment. (The WIC appointment may be recorded at the top of the form.) Complete the hemoglobin or hematocrit value and the date the value was taken. There is no limit on how old the bloodwork data can be, as long as the measurement was taken during the current pregnancy. Complete the expected date of delivery, the date of the client's first prenatal visit, and the prepregnancy weight.

**Breastfeeding Women** (eligible up to one year after delivery) **and Postpartum Women—Non-Breastfeeding** (eligible up to 6 months after delivery/termination of pregnancy): Complete the height and weight measurements and the date they were taken. These measurements are to be taken no more than 60 days before the client's WIC appointment. (The WIC appointment may be recorded at the top of the form.) Complete the hemoglobin or hematocrit value and the date the value was taken. There is no limit on how old the bloodwork data can be, as long as the bloodwork is taken after delivery of the most recent pregnancy. Complete the actual date of delivery, the date of the first prenatal visit, and the weight measurement at the last prenatal visit.

**Infants and Children less than 24 months of age:** Complete the infant's birth weight and birth length. Complete the current height and weight measurements and the date they were taken. These measurements are to be taken no more than 60 days before the client's WIC appointment. (The WIC appointment may be recorded at the top of the form.) Complete the hemoglobin or hematocrit value and the date the value was taken. <u>A bloodwork value is required once during infancy between 6 to 12 months of age (preferably between 9 to 12 months of age) and once between 1 to 2 years of age (preferably 6 months from the infant bloodwork value).</u>

**Children 2 to 5 years of age:** Complete the current height and weight measurements and the date they were taken. These measurements are to be taken no more than 60 days before the client's WIC appointment. (The WIC appointment may be recorded at the top of the form.) Complete the hemoglobin or hematocrit value and the date the value was taken. A bloodwork value is required once a year unless the value is abnormal (< 11.1 hemoglobin or < 33% hematocrit), then a bloodwork value is required in 6 months.

- 5. Check (✓) any health problem that you have identified. Even if you have not identified a health problem, refer the client to the WIC program.
- 6. **Special Formula Needed**: This form may be used to order special formula as long as the type of formula, number of months that the special formula is needed, and the diagnosis are completed. Also, the signature of a physician, PA, or ARNP is required in order to accept the prescription.
- 7. If you would like a nutritionist to counsel your client on a specific diet, check the box and specify the diet prescription or diet order requested.
- 8. If possible, please provide a copy of the immunization record for infant and child clients.
- 9. Complete the shaded area at the bottom of the form with the **signature** of the health professional taking the measurement or his/her designee and the office address and phone number. **Stamp** the form with the office stamp or the health professional's stamp.
- 10. Give this completed form to the client or parent/guardian to bring to the WIC certification appointment or mail/fax the form to the local WIC agency address shown in the bottom left corner of the form.
