Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Titanium Schedule

Requestor's name and email: Robert Mays

Department/Organization: Counseling Center

Date: October 19, 2007

Estimated Project Cost: $4000

Brief summary of the project:

Titanium Schedule is software specifically designed scheduling, electronic record keeping, and data collection in counseling centers. It allows easy appointment scheduling, ability to track appointment attendance (attends, no-shows, cancels, etc.), ability to track client demographic variables and problem areas, ability to keep track of education programs presented, consultations done, and any other service provision that needs to be tracked on an immediate basis. titanium has very fast reporting and it allows the ability to maintain electronic notes and records on clients/students. It collaborates with other centers and with the Center for the Study of College Student Mental Health.

Estimated cost for years 2 and 3: $1000 per year

Will this project become a recurring expense? ☑ Yes ☐ No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: ☐ Yes ☑ No
