1. Complete all requirements for a degree or certificate. At least 30 of the total hours shall have been taken at Arizona Christian University for the award of any degree. Bachelor degree students are expected to be in residence for the last two semesters preceding graduation. At least 48 hours of the course requirements must be upper level (300-400).
2. Take the Bible content exam and required academic assessment tests.
3. Earn an overall grade point average (GPA) of 2.0 in all certificate and degree programs (except the Education Program requires an overall GPA of 2.5) and a GPA of 2.5 in the major courses in all bachelor degree programs (except the Education Program requires a GPA of 3.0 in the Professional Studies coursework).
4. Complete Christian Service with satisfactory performance.
5. Submit an application for graduation through the Registrar's Office before the end of September preceding the final semester of course work. A non-refundable graduation fee must be paid in the Business Office.

7. Receive a favorable recommendation for degree conferral from the Academic Dean to the Board of Trustees.

***Note:** Courses are arranged in a sequence. If you decide to take courses out of sequence, you may not be able to meet the requirements to graduate on time. This checklist is provided for informational purposes only. Class availability is determined by ACU and may change without notice. This page is not an official publication of Arizona Christian University and does not constitute a contract. Please see the ACU catalog and current Student Handbook for more specific information concerning university and program policies which may supersede those listed here. Major requirements should be checked both in the catalog and with the major department. While academic advisement is available, it is the student's responsibility to see that all requirements are met. ACU reserves the right to change the information and requirements without notice.*
