

## Riding Lawn Mower Maintenance Log

Riding mower brand name \_\_\_\_\_  
Year purchased \_\_\_\_\_  
Serial number \_\_\_\_\_  
Property \_\_\_\_\_

Enter date and your initials under each item when done.

Check oil	Grease & lube	Change oil & Filter	Clean & wash	Sharpen blades	Air filter	others

When checking the oil look to see how dirty the oil is getting. If it is dirty, change it. Nothing prolongs the life of the equipment than keeping clean oil in the engine. Clean deck and mower after each mowing.
