

## **COMMONWEALTH OF MASSACHUSETTS DEPARTMENT OF TELECOMMUNICATIONS AND CABLE**

### ***Third Party Verification Service Provider Registration Application***

In order to facilitate a change in a customer's primary interexchange carrier (IXC) or a primary local exchange carrier (LEC), an IXC or LEC may rely upon a Third Party Verification (TPV) Service Provider to provide customer authorization confirmation services as provided for in Massachusetts General Laws, Chapter 93, Sections 108-113, inclusive.

Pursuant to M.G.L., c. 159, '12E(a)(3), any company that provides TPV services, pursuant to Section 109 of Chapter 93, must register with the Department of Telecommunications and Cable (Department). In order to register with the Department, a prospective TPV service provider must complete the following registration application and submit it to the Department for approval.

#### **Instructions:**

- Provide all requested information. Do not leave any question unanswered. If a question is not applicable, answer "N/A" on the form and explain why it is not applicable. Attach a separate sheet if necessary.
- The registration application will be processed in the order in which it was received. Once the Department's review is complete, Registrant will be informed of the application's status. If approved, Registrant will receive a copy of the registration cover page bearing an Approved stamp, the date of approval and TPV registration number.
- There is no filing fee. Submit an original and one copy of the completed Registration Application and all attachments to:
