

Senior Faculty Research Program Application

Name _____

Department(s) or School(s) _____

Title of Project _____

Amount Requested _____ Your Email: _____

Is this your first SFRP application? Yes No

If no, did you receive a SFRP leave before Spring 2005? Yes No

If yes, a written report, as outlined in the Faculty Development Handbook, page 44, must be filed with the Associate Dean of the Faculty prior to this application.

- Will you use human beings as experimental subjects? Yes No
If yes, please submit the appropriate approval notice.
- Will you use animals as experimental subjects? Yes No
If yes, please submit the appropriate approval notice.
- If your proposal is funded, would you be willing for the Mellon Center to use it as an exemplary submission in the online *Handbook*? Yes No

Please complete the following checklist by placing a check mark against each item to insure that your application is complete. Incomplete and/or late applications will not be considered.

1. Summary of the Project (Not to exceed 150 words)
2. Electronic summary (email to jhand@iwu.edu)
4. Narrative (Not to exceed 3 pages, single-spaced, Times Roman 12 point)
5. IRB approval notice or verification that approval has been requested
6. Curriculum vitae
7. Report of Previous SFRP course release
(File separately with the Associate Dean)

Signature of Applicant and Date

Signature of Chair or Direct Supervisor

Please note that a recommendation letter from a direct supervisor or chair is not required for this program.
