Please use the following scale to evaluate your ethnographic placement. If your evaluation is 1 or 2 in any section, please elaborate in the "Comments" section. You may also use the "Comments" section for any additional information you wish to provide.

1 = unacceptable 2 = below expectations 3 = meets expectations 4 = above expectations 5 = outstanding

1. Interpersonal Relations with Staff 1 2 3 4 5

E.g.: Staff was friendly, helpful, professional and supportive; regarded trainees and ethnographic training as important.

Comments on interpersonal relations:

2. Observation and Participation 1 2 3 4 5

E.g.: Able to observe program/community, participated in ways that helped me understand the culture, facilitated learning of new skills in relating to a "different" community, obtained insights into the process of acculturating in a new community, learned socio-political factors related to the community, obtained greater understanding of the impact of the organization and organizational structure on the community.

Comments on observation and participation:

3. Consistency with Expectations

1 2 3 4 5

E.g.: Experience different from anything I had done before, was appropriate to the goals of the practicum, expectations clearly communicated, training useful in learning about this community, structure of organization facilitated learning experience, site provided space and materials necessary to complete assigned tasks.

Comments on assessment testing:

4. Supervision

1 2 3 4 5

E.g.: Supervisor related well and supported me as an individual. Responded to my questions and dilemmas, was respectful, clarified expectations, recognized and encouraged my strengths, was on time and available for scheduled hours and in cases of emergency.

Comments on supervision:
