IV Instructions to All Applicants

Send to Lawrence Technological University Office of Admissions:

- Completed application for admission and \$50 non-refundable application fee.
- Request official transcripts from ALL colleges attended.
- Submit a comprehensive, professional resume of your background.

In addition to the above, the following may apply depending on the program of choice:

International Applicants:

- Provide evidence of English proficiency.
- Full-time international students are required to have an I-20.
- Submit affidavit of support if I-20 is requested.
- Course-by-course WES evaluation (see www.wes.org).
- Visa transfer form if transferring from another college or university in the United States.

Architecture and Interior Design Applicants:

1. Submit three letters of reference:
 - a. Architecture: One from a practicing architect (NOT a Lawrence Tech faculty member)
Interior Design: One from a practicing interior designer (NOT a Lawrence Tech faculty member)
 - b. One from a faculty member employed by a North American college or university school of architecture or interior design who is familiar with your professional competency and promise (NOT a member of the Graduate Admissions Committee)
 - c. One personal reference (preferably an immediate supervisor at current place of employment)
2. Submit a comprehensive professional portfolio (not required for 4+3 students) and resume for faculty review (portfolio requirements are available in the Office of Admissions).
3. Submit a comprehensive one-page essay describing your personal and professional achievements within the last five years. Describe how you see a graduate/professional degree helping you reach your goals.

Career-Integrated MBA Applicants:

Submit three letters of recommendation.

Engineering Applicants:

1. Submit three letters of reference.
2. Submit a statement of purpose (one page or less) that includes your personal and professional achievements within the last five years. (Individuals applying to the Certificate in Manufacturing Systems program need to supply only ONE letter of recommendation.)

Science Education Applicants:

1. Submit a resume that includes a list of extracurricular activities.
2. Submit the names of three references with contact information.
3. Contact the Master of Science Education director for a phone interview (248.204.3600).

Technical and Professional Communication Applicants:

1. Submit three letters of reference, including one from either a professor or a corporate supervisor who has known you during the past three years and is familiar with your professional promise.
2. Submit one or more writing samples that demonstrate your skills in either technical or professional communication.
3. Schedule and attend an interview with the Technical and Professional Communication director (248.204.3525).
