# Instructions for Completing the Major Declaration Form.

## Section 1 - General Education Course Requirements

1. Category 1 - Enter the course grade and credit hours for each course.
  2. Category 2 - Enter the course prefix and course number as separate items. For example: COM 105  
Then enter the course grade and credit hours for the course
  3. Category 3 - Enter the course prefix and course number as separate items for each course taken.  
For example: ENG 216  
Then enter the course grade and credit hours for the course
  4. Category 4 - Enter the course prefix and course number as separate items for the course taken.  
For example: ART 130  
Then enter the course grade and credit hours for the course
  5. Category 5 - Enter the course grade and credit hours for the course.
  6. Category 6 - Enter the course prefix and course number as separate items for each course taken.  
For example: PSY 100  
Then enter the course grade and credit hours for the course
  7. Category 7 - Enter the course grade and credit hours for the course.
- NOTE: For the Physics and Mathematics courses nothing needs to be entered.

### REMARKS

1. When entering the student's letter grade in the column marked 'Grade', enter a grade of A, B, C, D, or F. If a student is transferring credit for a particular course, enter TR as the course grade. When entering a course grade, ONLY upper case letters are acceptable.
2. Enter the credit hours of the course (1-5) in the column marked 'LU' if the course was taken at Lindenwood University. If the course was not taken at Lindenwood University, leave the entry blank.
3. In the column marked 'TR', enter the credit hours of any courses transferred into Lindenwood University for credit toward graduation.

## Section 2 - Major Course Requirements

1. Enter the Semester for the semester in which the course was taken. For example, F 03 would mean Fall Semester of 2003 and S 04 would mean Spring Semester of 2004. For Summer Sessions use a designator of U. For J-Term enrollments use J.
2. Enter the student's letter grade in the column marked 'Grade'.
3. Enter the credit hours of the course (1-5) in the column marked 'LU' if the course was taken at Lindenwood University. If the course was not taken at Lindenwood University, leave the entry blank.
4. Enter the credit hours of any courses transferred into Lindenwood University in the column marked 'TR'.
5. For elective courses enter the course letter prefix and the course number on separate lines  
For example: CSC 405

## Section 3 - Additional Course Requirements for graduation

1. For course numbers of OPEN elective courses enter the course letter prefix and the course number on separate lines with the prefix going first.
2. Enter the student's letter grade in the column marked 'Grade'.
3. Enter the credit hours of the course (1-5) in the column marked 'LU' if the course was taken at Lindenwood University. If the course was not taken at Lindenwood University, leave the entry blank.
4. Enter the credit hours of any courses transferred for credit into Lindenwood University in the column marked 'TR'.

## Section 4 - Additional Course Completed

1. This section is used for:
  - A. Any courses taken at Lindenwood University over the minimum required for graduation.
  - B. Any Lindenwood University courses that are not listed on the main page.
  - C. Any course transferred in for credit that is not listed on the main page.
2. Instructions are the same as for courses listed in Section 3.
