

**Application for Admission to Nanosystems Engineering Program
Winter Quarter 2005-06
For transfer/change of major students only**

If you wish to apply for admission to the B.S. in Nanosystems Engineering program, please complete the form below and submit it (**along with an unofficial copy of all your university transcripts**), to the **Nanosystems Engineering Program** located in Nethken Hall 121. Please note this application is for transfer/change of major students only. If you are an entering freshman, you should apply for admission to the university (see <http://www.latech.edu> for application information) and indicate engineering as your proposed major. Transfer students must apply for admission to the university before submitting this application to enter the nanosystems engineering program. Questions concerning the admission process may be directed to Dr. Hisham Hegab (NH 127, hhegab@latech.edu). You will be notified by e-mail, using the address you have provided below, as to whether or not you have been admitted to the program. It is expected that application reviews will be completed before beginning of Spring quarter.

Name:							
	Last	First	Middle Initial	CWID# or SSN#			
Above applicant's current e-mail address:							
Current		Phone number:					
mailing address		Street Address:					
		City, State, Zip code:					

Are you currently enrolled at Louisiana Tech?	Yes:		If yes, how many quarters have you been enrolled at Louisiana Tech?				
	No:		If no, indicate below, for which quarter/year have you been admitted:				
	Fall:	Winter:		Spring:		Year:	20_____
What is your current major?							
Current Grade Point Average:							
ACT Scores		Composite:	English:	Math:	Reading:	Science:	

In 500 words or less, please describe why you wish to pursue the nanosystems engineering degree (may attach separate sheet if you wish):

This form may be mailed to:
