**Leader of Student Outreach:** Since **true IDentity** is a ministry to university students, we aim to reach college students who long to know their Savior intimately. The purpose of this position is to provide a link between **true IDentity** and the college girls who are not part of our team. This member is responsible for “getting the word out” about our ministry, inviting girls to our discipleship studies and local events, and accountability groups, as well as for recruiting possible new members. She is to work in conjunction with the One Hope, which is the local university-based extension of **true IDentity**.

**Leader of Event Counseling:** This team member is responsible for aiding the Director in counseling ladies at our events. She is one who has a deep understanding of God’s Word and who is discerning about what Scripture will meet individual needs. Though the Director also does counseling, this team member is responsible for reaching out to the needs of those individuals who we will meet during our events.

**Leader of Drama and Special Segments:** This team member is responsible for creating new dramas and special segments that will be used to communicate God’s truth during our event weekends. In addition to creating these, she is also responsible for suggesting to the Director their place and order during the events themselves.

**Leader of Worship and Special Music:** This team member is responsible for the leadership of our praise team as well as the order of worship during praise and worship time. She is to work in conjunction with the Leader of Drama and Special Segments in developing ideas for dramas that include special music.
