LINDENWOD Housing Application

Lindenwood University Student Occupancy Contract

۲

Deposit/Refund

A residence deposit of \$300.00 must be returned with the signed housing contract to reserve university housing. The

university has the right to withhold some or all of the \$300.00 deposit as a result of an improper check out from the university. No refund for room charge fees will be made for a term after a student has signed a housing contract. Board charges will be pro-rated if a full withdrawal from the university if made.

General Housing

- Each resident is expected to complete the check in process at the beginning of each term.
- Each resident is also expected to complete the check out process at the term's end and return the key to the Director of Housing.
- The assignment of a room for a new student will not be made unless the student has signed his/her Enrollment Financial Aid agreement/award and has paid the \$300.00 housing deposit.
- This signed application must be received in the Housing Office before a housing assignment will be made.
- To remain in university housing, all resident students must maintain full time status, must register for classes at the designated times, and must be in good academic and financial standing.
- The assignment of rooms will be made at the discretion of the university. No room change may be made without the approval of the Director of Housing. The student agrees that the university may reassign or adjust the occupancy of rooms and may permit other uses of rooms during official recesses. The university will make every attempt to notify the student prior to the use of the room.
- <u>The university may reassign the room 48 hours after the first day of classes</u>, if the student has not officially checked in or has not made arrangements for a late arrival with the Director of Housing.
- Each student is liable for any damages to his or her room.
- All university residence furniture must remain in the residence at all times. Removal or damage to university furniture will result in charges made to the student's account. Any additional furniture brought into residence halls much be approved in advance by the Director of Housing, and MUST be removed at the end of the spring semester.
- The residence may not be altered in any way (painting, wallpaper, carpet addition or removal, etc.) without the permission of the Director of Housing.
- Food and facilities to be furnished under this contract are for the use of the person to whom this contract is issued. Transfer to any
 other person is not permitted.
- If a residence key is lost, there will be a \$35.00 charge to replace the key. If it is necessary to replace the lock, there will be a \$100.00 charge.
- Any student changing his/her housing assignment without prior approval of the Director of Housing, will be assessed a \$250.00 fine.

Holiday Closings

For security reason, the residence are closed and locked at 4:30 p.m. on the last day of classes before each holiday or break. They will reopen at noon on the day before classes resume. Food service stops after lunch on the last day of classes and resumes at breakfast on the first day of class after the holiday break is over. All residences are closed for Thanksgiving, Christmas break, and Spring/Easter break. These dates are available in the Academic Services office. Failure to leave by the designated time, or returning before the halls reopen may result in charges to the student's account. Special circumstances must be addressed in writing to the Housing Office at least two weeks prior to the date in question. Students approved to remain on campus during these breaks may be required to relocate to other residences. There will be a \$200.00/week room fee charge made to the student's account. The Work and Learn Office will offer opportunities for work to defray room fee charges during these breaks upon request.

Limit of Liability

The university does not assume responsibility for any losses, damages, or personal injury of any sort occurring to persons or private property. Property loss or damage would need to be covered by personal homeowners or rental insurance or other protective policies available to students.

Prompt Payment Required

The student promises to pay promptly at the scheduled time(s). Failure to make prompt payment can result in dismissal from university housing. Students with delinquent accounts will be in jeopardy of losing their housing assignment. Charges will be as stated in the current catalog.

Dismissal from University Housing

Dismissal from university housing for disciplinary reasons does not release the student from his or her financial obligations.
