EXCEPTIONS

Each of these registration situations requires that the student communicate with the Office of Graduate Studies, Hepburn Hall 206, for final approval and manual registration by a staff member: Independent Study, certain Field Study classes, credit load above 15 credits, and undergraduate classes specified as required for a student by a Graduate Program Coordinator, but which are not also offered as graduate-level classes.

"STUDENT CENTER" SCREEN

The central link to virtually all of the key information and actions for students. You will find links for Enrollment, Payment (under "Account Inquiry"), Financial Aid, Grades and other useful information. **Go online to:** <http://gothicnet.njcu.edu>; **Log In;** At the left under "My Menu," click on "Students," then click on "STUDENT CENTER."

"Add": entering a class on your schedule.

"Cancelled" Class: the class will not be taught. It will not appear if you do a "Class Search," even if it was cancelled after enrollment began. It will still not appear if you click the "Open Classes Only" check box first. If you are enrolled in a class that is cancelled, you will be notified and you will automatically receive a refund within 30 days.

"Class Detail" Screen: Reach this screen from the "Class Search Results" screen by clicking the blue link with the 4-digit "Class Number" to the right of the word "Section."**It is important that you read the information presented on this screen for each class in which you are planning to enroll.**

"Class Notes": This section appears on the specific "Class Detail" screen for each class, and contains information such as Department or Instructor consent required, pre- or co- requisites, special class meeting dates, or detailed instructions for online classes. **It is important that you read the notes for each class in which you are planning to enroll.**

"Class Number": The unique 4-digit number identifying a particular section of a course being offered for a particular term.

"Closed" Class: The class will be taught, but there are no more spaces available for enrollment at this time. The class will not appear if you do a "Class Search," unless you click on the "Open Classes Only" check box first to remove this criterion, which will then present both open and closed classes. A "BLUE SQUARE" for the "status" indicates a class is closed. (A "GREEN CIRCLE" indicates it is open.)

"Course Career": This represents the level of courses you are doing a "Class Search" for. Select "Graduate."

"Course Number": The 3-digit number designating a course with a specific title offered by an Academic Department.

"Enrollment Appointment": The date and time after which you will be permitted to enroll in a class for a particular term.

"Holds":—a student may be blocked from enrollment for such reasons as academic performance; 12-credit limit reached without matriculating into a degree program; balance due to the Bursar; immunization records not up to date; or other reasons. This appears at the right at the "Student Center" screen, and clicking on the details provides additional information.

"Permission Number": A unique 4-6 digit number assigned to each student who receives Department or Instructor consent (as appropriate) for enrollment in a specific class in a specific term. Once a "Class Number" has been entered (or if a class has been selected thru the "Class Search"), the next screen will contain a box to the right of the words "Permission Nbr." Enter the Permission # in the box and then click the green "NEXT" bar at the lower right of the screen, and then continue.

"Swap": DROP one class and ADD another through a single process.

"Withdraw": changing your enrollment status to indicate that you will no longer attend the class, after the last date to DROP a class. Your schedule will continue to indicate that your status is "Enrolled," and a grade of "W" will appear on your current schedule and will also be permanently entered on your transcript. Furthermore, depending on the date of your withdrawal, you will receive either a 50% or zero refund. NOTE: Withdrawals cannot be done online. You must submit a Withdrawal Form, which can be downloaded at your GothicNet Home Page by clicking on the link for "What I Need to Know," and then on the link provided for the form under the enrollment information for that term. The Office of Graduate Studies is open between 8:30 a.m. and 7 p.m. Monday-Thursday and between 8:30 a.m. and 5:00 p.m. Friday during the fall and spring semesters. During the summer terms, the Office of Graduate Studies will be open between 8:00 a.m. and 5:15 p.m. Monday-Thursday and between 8:30 a.m. and 4:00 p.m. Friday.

DISCLAIMER

The University reserves the right to cancel courses, change the calendar, modify tuition and fees, and change instructions.

GRADUATE ASSISTANTSHIPS

NJCU offers a limited number of assistantships each year to qualified graduate students. The appointment is for the academic year (September to May), and in some years assistantships become available in January for the spring semester only. For the full academic year, the initial deadline for applications is April 1. For spring semester assistantships only, the deadline is December 1.

The graduate assistantship covers tuition and fees for full-time study (minimum nine credits). Graduate assistants are required to work in a university department or office for 16-20 hours/week for which they receive a stipend of \$3,500 over the academic year (\$1750 per semester). Graduate assistants may not hold a full-time job either inside or outside the university, and they may not be graduate assistants during a semester when they are doing student teaching.

Applicants must be matriculated in an NJCU graduate degree program, which includes the following requirements:

- A regular application for graduate admission
- A 250-500 word essay discussing your goals and objectives for pursuing the degree for which you are applying
- Official transcripts from all colleges attended
- Request for matriculation form
- Two letters of recommendation
- Official score reports for the standardized test required by the student's department (MAT, GRE, or GMAT – see the *Graduate Catalog* for details)
- A copy of any teaching certificates the applicant may hold

In addition to these matriculation requirements, applicants should write a letter to the Dean of Graduate Studies and attach a résumé. The letter should discuss the educational goals you would like to achieve through the assistantship, and the résumé should indicate work experience and skills as well as academic background.

Applicants may specify an office or department that would be of particular interest for employment, but this is not required. Graduate assistants are assigned by the Dean of Graduate Studies, not by the departments themselves, and it is possible that a student will be assigned to a different office or department than the one in which they are studying.

TUITION PAYMENT PLAN

New Jersey City University, in partnership with Tuition Management Systems, offers the Interest-Free Monthly Payment Option to help students more easily afford education expenses. Instead of large annual or semester payments, this option enables you to pay-as-you-go on a monthly basis, like most other bills. Use savings and income to your advantage by spreading education expenses over 5 or 4 manageable monthly payments. The Interest-Free Monthly Payment Option is not a loan so there are no interest charges. Best of all, it is available to you for an enrollment fee of just \$37 per semester. In addition, Education Payment Life Insurance covering the balance of your payment plan amount is also available. Simply request an application upon enrollment.

Enrolling in this option is quick and easy. Simply enroll on-line at <http://www.afford.com/njcu>. If you prefer to speak to a courteous and professional Education Payment Counselor, simply call toll-free 1-888-713-7239 to get answers to your questions, obtain enrollment forms, or enroll right over the telephone.

FINANCIAL AID

Graduate students may be eligible for loans. Graduate students must be enrolled in a degree or certificate program as of the first day of the term in which they intend to use their Student Aid. They must complete their Free Application for Federal Student Aid (FAFSA) for the current academic year, if they wish to use federal financial aid (graduate student loans) to pay for the costs of attending school. Upon receipt of the above information, eligibility for financial aid will be determined, and the student will be notified in writing of any eligibility for graduate student loans.

Graduate loan recipients are expected to maintain satisfactory academic progress in order to maintain eligibility for the student loans. Students must be taking at least 6 credits to be eligible for student loans. Please contact the Financial Aid Office at 201-200-3173 for additional information.

GRADUATE STUDENT ACADEMIC POLICIES IN BRIEF

Complete policies are available in the *Graduate Catalog*.

(Available at the the Office of Graduate Studies or for download at <http://www.njcu.edu/PS/Graduate/grad.html>)

1. In order to earn a graduate degree, the student must be fully admitted into a degree program (matriculated). Only twelve (12) credits of graduate coursework taken prior to matriculation may count towards a master's degree. Enrollment in on-campus, off-campus, or online courses, in and of itself, does not constitute full admission to a degree program.
2. To be fully admitted to a degree program, a student must have on file in the Office of Graduate Studies, Hepburn Hall, Room 203:
 - a) an Admissions Application
 - b) a Request for Matriculation Form
 - c) copies of official transcripts from all schools attended
 - d) two (2) letters of recommendation
 - e) official scores of the GRE, MAT, or GMAT tests (as appropriate for the specific degree program)
 - i) PRAXIS scores (in addition) for the M.A.T. in Elementary or Secondary Education degree programs
 - ii) a résumé (in addition) for degree programs in Accounting, Criminal Justice, Finance, Health Sciences, and Professional Security Studies
 - f) official acceptance into a degree program from the sponsoring department.
3. The above items must be filed with the Office of Graduate Studies only. The student's file is then reviewed for approval by both the appropriate department Graduate Coordinator and the Office of Graduate Studies.
4. Certification students must have attained an undergraduate cumulative grade point average of at least 2.75 in order to be admitted to a certification program.
5. Graduate students are expected to maintain a 3.0 grade point average at New Jersey City University in order to remain in good academic standing.

VISITING STUDENT STATUS

A graduate of an accredited college or university, currently enrolled in graduate study at another institution, who wishes to take courses at New Jersey City University for transfer purposes, may apply for admission to graduate study as a "visiting student". A visiting student must submit an Application for Admission to Graduate Study and an approval letter from the Dean or Department Chairperson of the degree granting college to the Office of Graduate Studies by the respective deadline date. The visiting student will follow regular registration procedures as a new student.

ADVISEMENT HOLDS

If your credits total 12 or more (counting earned credits and credits for which you are registered) and you have not been admitted to a certification program or approved for matriculation into a degree program, an "Advisement Hold" will prevent you from enrolling in any subsequent semester without the approval of the Academic Department offering your program. Contact the Department Chair.

SEVEN-YEAR LIMIT ON CREDITS

This policy applies to all graduate students: a) students have seven years within which to complete their degree; b) only credits not older than seven years at the time a student is first registered by the Graduate Studies Department may be considered for transfer; c) only credits not older than seven years at the time for which a student requests graduation (clearance) are valid, unless these are transfer credits that meet the previous standard.

MILLER ANALOGIES TEST (MAT)

The Miller Analogies Test is offered once a month on the campus of New Jersey City University through the Office of Continuing Education. To visit us on the web, please click "Continuing Education" on the NJCU homepage at www.njcu.edu, then click on "Miller Analogies Test." To request a transcript the student or graduate has three options:

1. In person: at the Registrar's Office Hepburn 214 on a form supplied by the office.
2. By mail: send a signed letter to the Registrar's Office, c/o Transcripts, New Jersey City University, 2039 Kennedy Boulevard, Jersey City, NJ 07305.
3. By the Internet: NJCU Registrar's website: <http://www.njcu.edu/dept/registrar>. Students may request separate undergraduate and graduate transcripts but no portion of the undergraduate or graduate record may be deleted. Procedures for the issuance of transcripts are governed by the provisions of the Family Educational Rights and Privacy Act of 1974 as amended (Final Regulations, 41 Fed. Reg. 24662 399.33).

Transcripts are prepared by the Registrar's Office in accordance with the policies of the American Association of Collegiate Registrars and Officers of Admission. Where New Jersey City University transcripts show credit hours earned at other institutions the official transcripts from those institutions have become a part of the student's permanent file in the Registrar's Office. New Jersey City University does not make copies of another institution's transcripts. To obtain such transcripts, the student must contact the institution concerned. Transcripts should be requested at least ten days prior to the time needed. No transcript of credits will be granted to any student until all fees and other University obligations have been adjusted.

100-HOUR REQUIREMENT

New Jersey City University is a registered provider of Professional Development Programs for teachers that will count towards the 100-hour requirement (provider number 2433).

TUITION WAIVER POLICY

NJCU employees may be eligible for tuition waiver, but must be admitted under regular policies. Please be advised that NJCU employees who do not satisfactorily complete courses for which a tuition waiver had been granted or who receive a grade below "C" shall be required to reimburse the University for all waived costs. Until such reimbursement has been made, no further waivers will be available to that employee. Please refer to the "New Jersey City University Tuition Waiver Policy" online at <http://www.njcu.edu/dept/hr/policies/tuition.html>.

NJCU PHOTO ID CARD

NJCU Photo ID Cards are required for the Library, the Fitness and Athletic Center and to enter campus or ride the shuttle. To obtain a Photo ID, new graduate students should report to the University Service Center, located in the Gilligan Student Union, with a copy of a receipt from the Bursar's Office and form of ID. Please call the University Service Center at 201-200-2552 for dates ID photos will be taken.

PARKING ALERT

Please observe the Jersey City Parking Regulations if you park on the city streets. There is parking available on the campus property on West Side Avenue. The entrance is on Culver and West Side Avenues. There is continuous shuttle service between the parking lot and the center of the campus. For additional information, contact the University Service Center, Parking and Transportation Manager, located in the Gilligan Student Union, at 201-200-2552, or email parking@njcu.edu.

STUDENT GRADES

Grades are no longer mailed. Grades can be accessed through the GothicNet portal, "view my grades" link, immediately after grades have been posted.

STUDENT INJURY & SICKNESS INSURANCE PLAN

All full-time graduate students (9 or more credits) are required by law to have injury and sickness insurance coverage. The premium is automatically added to the tuition bill. Full-time students covered under another policy who do not wish to purchase the University's plan may waive the insurance charge by completing a waiver card (available at the Bursar's Office, Hepburn106). Part-time students are not required to have coverage and will not be billed. However, they and/or the dependents of current students may pur-

chase the plan directly from the insurance company. For further information, contact the Bursar's office (201-200-3045).

IMMUNIZATION

The State of New Jersey requires all NJCU students to complete the Immunization Questionnaire provided by the Health and Wellness Center, Vodra 107. Failure to properly complete and return the questionnaire may result in your being prohibited from attending NJCU. **IMPORTANT NOTE:** Degree seeking students not in compliance will be prevented from further registration until they are in compliance.

STUDENTS WITH DISABILITIES

Students with mobility, vision and other disabilities, who are interested in requesting accommodations and/or supportive services while they are on campus, should phone the Office for Specialized Services at 201-200-2557. The Office of Specialized Services for Students with Disabilities is located at the Education and Professional Studies Building, Room 343.
