NORSE ATHLETIC ASSOCIATION

The Norse Athletic Association was formed in 2007 to support and enhance the student-athlete experience.

In 2010–11, funds raised through the Norse Athletic Association enabled the athletic department to support coaching internships and to put up street pole banners representing the athletic programs at Luther College.

In addition, NAA funds were used to supplement travel budgets, enabling our teams to make spring trips, compete at more distant locations, and travel in buses more often.

The Luther College Athletic Department is very appreciative of the support provided by NAA members.
