

The Gift of Time: Where Does it Go?

A time of personal insight and sharing with Terry Lieb

The Gift of Time:

Together we will wrestle with the concept that "every moment" of our lives is a gift from our Creator.

Terry Lieb

- What is our response?
- How do we use this gift?
- Do our busy lives reveal how we value God's gift?
- Does our use of time say something about our lack of security?
- As men of faith, can we have balance in our lives?

The presenter:

Terry Lieb has been married for 32 years. He and his wife, Rita, have been blessed with two adult sons, Joshua and Adam. Terry is an Associate in Ministry in the Evangelical Lutheran Church in America and has been the Executive Director of Family Life Services for The Lutheran Home at Topton for the past 25 years. Prior to that, Terry worked as a counselor at Bethany Children's Home and the State Correctional Institution at Camp Hill, PA. Terry's undergraduate degree is from York College of Pennsylvania, and he received his graduate degree from Lehigh University. He is a National Board Certified Counselor and a Licensed Pennsylvania Counselor. Terry wrestles each day, with varying degrees of success, with his appreciation of "this gift of time" and how his life reflects what God has done for us through Christ.

A One Day Men's Event

This event is a "gift of time" for sharing in fellowship and ideas. You can visit Bear Creek Camp and enjoy God's gifts in this great setting.

Other opportunities for men

This one-day men's event is part of the Theological Education for Laity emphasis of The Lutheran Theological Seminary at Philadelphia.

Other programs for laity include:

Online theological study for laity – an exciting new way for laity to become biblically and theologically equipped for ministry in the church and the world. The perfect answer for men with busy lives.

Faith and Leadership Academy – an adventure on six Saturdays during which laity can discover new insights into their faith, the church and themselves. Many congregations support Council members, Sunday Church School teachers, Adult Forum and Confirmation leaders, etc., in attending this solid learning adventure.

Reproducible Studies – Seven studies for use in your congregation. Each is designed for five sessions complete with teacher guides, participant worksheets and additional resources. These studies are practical, economical and timely. They are good resources for Lent, Adult Forums, Men's Groups, etc.
