

School of Science Summer Research Program

Application for 2011 Student Research Award

Faculty Recommendation Form

Student name:

Faculty mentor name:

Project title:

Faculty mentor: Please answer the questions below, and submit this form to Amy Bockman, Brousseau Hall, Room 216, on or before March 25, 2011.

1. How do you know this student?

2. Discuss this student's academic qualifications, laboratory skills, and/or personal characteristics that suggest success in this program.

3. If the student does not meet any of the general criteria (year in school, GPA), explain why special consideration should be granted to this student.

4. Describe the preparation of the research proposal.

5. Please describe how you intend to mentor this student during the summer, including frequency of meetings. Discuss any travel plans that may impact this project.

6. If your student is seeking additional employment, discuss how this will impact the project.

If you are sponsoring more than one student, answer the question below:

7. If there is funding for only one student, please assist the Council by ranking the students you are sponsoring. If this project *requires* two students, please indicate this.
