**AR-11, Alien's Change of Address Card**

This card is to be used by all aliens to report a change of address within ten days of such change. The collection of this information is required by Section 265 of the Immigration and Nationality Act (8 U.S.C. 1305). The data is used by U.S. Citizenship and Immigration Services for statistical and record purposes and may be furnished to Federal, State, local and foreign law enforcement officials. Failure to report a change of address is punishable by fine or imprisonment and/or removal.

**ADVISORY: This card is not evidence of identity, age or status claimed.**

**Public Reporting Burden.** Under the Paperwork Reduction Act, an agency may not conduct or sponsor an information collection and a person is not required to respond to an information collection unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood and that impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. This collection of information is estimated to average five minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including reducing this burden to: U.S. Citizenship and Immigration Services, Regulatory Management Division, 111 Massachusetts Ave. N.W., Washington, D.C. 20529. **Do not mail your completed form to this Washington, D.C. address.**
