OR
- Have sixty (60) credit hours from Utah institution(s) while maintaining continuous residency (excluding summer)
OR
- Established a domicile in Utah to work on a full-time permanent basis. (May apply to attend SUU four or more months after moving to Utah). ** (Additional documentation required).
OR
- Dependent child of a Utah resident (under 24 years of age). ** (Additional documentation required).
OR
- Married to a Utah resident *** (Additional documentation required)
OR
- Other criteria as outlined in R512.

In order to expedite the process of your residency application, please make sure that all questions on the application are answered **completely**. In addition, copies of the following items are **required** to document your residency status and **must be attached to the application**.

❖ **All applicants must provide the following documentation:**

- [] 1) Verification of length of residence in Utah by school attendance and/or employment (including weekends and holidays)
- [] 2) Utah Driver License
- [] 3) Utah Voter registration
- [] 5) Utah vehicle registration and insurance (Utah registration required for all vehicles registered in the student's name. Vehicles registered to persons other than the applicant need not be registered in Utah unless the application is based on parent's Utah residency or marriage to a Utah resident; however, **a copy of the registration and insurance must be provided with the application.**)
- [] 6) Utah tax return(s) if filed
- [] 7) Declaration of Financial Independence - In addition to submitting objective evidence of domicile, **a person seeking resident student status following 12 months of continuous residence in Utah, or completing 60 credits, must also submit a declaration of financial independence**, which must include, at a minimum, evidence that the person is not claimed as a dependent on the federal or state tax returns of any person who is not a resident of Utah. Institutional residency officers may require such documentation at the time of initial application for resident student status, and at any time thereafter to verify a student's continued eligibility for resident student tuition. R512.4.8.

NOTE: Short absences (less than 30 total days) from the state will not break the Utah residency requirement. Frequent or extended absences, especially if the student establishes residency or domicile out of state i.e. working out of state or returning to prior home of record for an extended time, may be regarded as evidence that residency requirements have not been satisfied.

* Western Undergraduate Waiver (WUE) and Legacy scholarship recipients will not be eligible to apply for residency for tuition purposes. (Exceptions are: marriage to a Utah resident or parents are Utah residents)

** Dependents of a Utah resident must provide verification of parent's/guardian's Utah residency, in addition to the first four items above. Parent items include, but are not limited to: Utah employment verification, Utah driver's license and Utah home rental/lease/purchase verification as required in R512.4.6.

*** Marriage to a Utah resident requires verification of spouse's Utah residency, a copy of the marriage certificate, and the documents listed above for yourself and your spouse as required in R512.4.6.

Adverse rulings may be appealed by submitting a written request to the Residency Appeals Committee. The Committee shall make an independent examination of the issues presented and shall make a final determination of the resident status. Appeals may be given to the Admissions Office for submission to the Committee.
