You must have your current academic advisor submit an email or letter to the School of Nursing stating that the above table is correct.

TEAS REQUIREMENT: Reading Score Math Score

Did you have to repeat any part of the TEAS in order to pass? Yes No

If not taken, please list the date it will be taken. (Must be before our application deadline)

Was the TEAS taken in the past year? Yes No (TEAS scores more than 1 year old are invalid)

If testing accommodations are required, please submit a copy of the letter from Disability Services and arrange testing with the School of Nursing.

Any special testing must be complete prior to the application deadline.

TOEFL SCORE: If you were born outside the United States, you must take the TOEFL exam. List score and submit official documentation with application. If TOEFL is required but not submitted with this application, your application will not be considered. (Minimum score on the TOEFL iBT = 83%). Score

CNA Requirement*: Completed CNA course? Yes No Where taken?

If you have not taken a CNA course, where will you take it?

When will you complete the course?

**The CNA requirement is waived for LPN's and students currently employed as CNA's. If you qualify for a waiver, please fill out the waiver included in this application.*

CPR Requirement: Do you have current CPR certification? Yes No

If you do not have CPR certification, where will you take it?

When will you be CPR certified?

Have you previously applied to admission to Spalding's School of Nursing? Yes No

Have you ever attended another School of Nursing? Yes No

If yes, when and where?

If yes, under what circumstances did you leave?

We strongly suggest that you meet with the Financial Aid Department to review options for funding the BSN program and that you have a financial plan in place for your education and other expenses while in our program.

Have you had contact with Spalding University's Financial Aid Dept.? Yes No

Are you prepared to meet the expenses of the fasttrack program? Yes No

Due to the intensive nature of the program, it is not recommended that students work once admitted. If you choose to work, it is strongly recommended you work the minimum number of hours and have a flexible schedule. Not adhering to this recommendation may result in poor academic achievement which can result in academic jeopardy.

Have you made arrangements to have outside responsibilities met while in the School of Nursing? Yes No

Optional Information: (This information is collected for data purposes and is not used for admission decisions.)

Ethnic Identification: American Indian or Alaskan Native Asian American or Pacific Islander

Black American Hispanic American White American Resident Alien

Non-resident Alien Other

Veteran: Yes No
