

# ALUMNI RELATIONS at Springfield College

There are many ways to support the College in its mission of educating students in spirit, mind, and body for leadership in service to others. Some of them might be easier than you think!

## Recruitment:

With a decreasing number of high school students applying to college in the next 10 years, identifying and recruiting potential students to the school is a great way to support Springfield College and to give a young person the opportunity of a lifetime.

## Career Networking:

Encourage current students and young alumni by supporting their applications for internships and jobs, in the organization where you work, or where friends and colleagues work.

## Media Relations:

Show your pride by wearing a Springfield College t-shirt, putting a bumper sticker on your car, or mentioning the College any time you get a chance.

## Philanthropy:

Your gift of any size to the Annual Fund makes a direct impact on our current students by providing for the greatest needs of the College, including financial aid, faculty support and academic resources, and campus improvements. Your participation matters!

Give online at [springfieldcollege.edu/home.nsf/gift](http://springfieldcollege.edu/home.nsf/gift) or by phone at (800) 622-6072.
