1. Request **TWO** sets of official transcripts from all post-secondary institutions including all transfer schools. When requesting official transcripts, have them sent to your own address. If the college or university's policy does not permit official transcripts being sent to a student address, then use the [Graduate School's mailing address](#). However, clearly note in your application packet which transcript is being sent directly to the Graduate School. Otherwise your application will be coded as incomplete. If you are a graduating senior, you may be required to submit a final transcript indicating when your degree is awarded. **NOTE:** New Paltz graduates only need to submit one set of official New Paltz transcripts.
2. Collect **THREE** letters of recommendation from former professors, employers and/or colleagues who are in a position to comment on your potential for graduate study in your chosen area. A letter from a former professor who taught you in an advanced course would be ideal. Using the letter of recommendation form provided in this application packet or on [our website](#), fill out the top portion and submit the form to your recommender. Ask each recommender to seal his/her letter in a self-addressed envelope that you provide, to sign it across the seal and to return it directly to you.
3. Compose an admissions essay which explicates your interest in a graduate program at SUNY New Paltz. Your Statement of Objectives for graduate study is intended to provide us with information about your educational and professional goals. In addition, since it provides us with a sample of your writing, your statement should reflect exemplary organization, writing style and mechanics. **Write** a 300-400 word, typed, double-spaced essay that clearly addresses the following:
 - ✎ What are your professional goals?
 - ✎ How have your previous experiences contributed to your decision to enter the program?
 - ✎ How will graduate study assist you in achieving your future career and educational aspirations?

Certain programs have specific guidelines for the admission essay; therefore, refer to your intended program of study's description in the [graduate catalog](#) or the departmental website.

4. Assemble and submit to the Graduate School **ONE** complete packet of items which includes, but are not limited to:
 - ✎ Application form
 - ✎ **TWO** sets of Official college transcripts (from every college/university attended)
 - ✎ **THREE** Letters of recommendation (in sealed envelopes)
 - ✎ A final transcript when the degree was awarded (only applicable if you have not yet graduated, see step 1 above)
 - ✎ Application Fee and Payment Form
 - ✎ **Official** GRE, MAT or GMAT* scores (if applicable to your program of study)
 - ✎ **Official** TOEFL score (required of all international students)
 - ✎ Copy of Passport (required of all international students)
 - ✎ Foreign Student Financial Statement (required of all international students)
 - ✎ NYS Teaching Certificate** (xerox copy if applicable for your program of study)
5. Mail the **COMPLETE** application packet to the above address. We will **not** process incomplete applications.

ART STUDIO APPLICANTS

Submit your portfolio **directly** to the Art Department, FAB 225, 1 Hawk Dr., New Paltz, NY 12561-2443
Contact the department at (845) 257-3830 to make arrangements for the required portfolio review.

REQUIRED TEST SCORES

* Satisfactory GRE or MAT scores are required for the MST in Early Childhood or Childhood and the MSED in School Leadership programs. The GRE is required for the MA in Biology and Psychology, MS in Communication Disorders, Electrical Engineering, Computer Science (for international applicants only), Mental Health Counseling and may be required for Nursing. Satisfactory GMAT Scores are required from all MBA applicants. The TOEFL is required of all international applicants and any applicant whose undergraduate degree is from a country where English is not the main language of instruction.

NYS TEACHING CERTIFICATION REQUIREMENT

** A valid NYS teaching certificate is required for the MSED in Childhood, Early Childhood, Adolescence, Literacy, Special Ed., Visual Arts Education and the Certificate of Advanced Study in School Leadership. See the Graduate Catalog for further details.

TO CHECK THE STATUS OF AN APPLICATION

Your userID, PIN and web address will be sent to you once your application has been processed.

THE COLLEGE OFFERS PROGRAMS LEADING TO NINE MASTER'S DEGREES AND TO THE CERTIFICATE OF ADVANCED STUDY.

Master of Science in Education

The Master of Science in Education program is for teachers who wish to improve their professional competence and mastery of subject matter. Completion of a degree program may lead to professional certification in a field and level, providing the student has at least two years of full-time teaching experience and has initial certification in a teachable major.

Master of Arts in Teaching

The Master of Arts in Teaching degree is designed specifically for non-certified students who have bachelors' degrees in an academic discipline and who wish to earn a teaching certificate at the secondary level.

Master of Science for Teachers

The Master of Science for Teachers degree is designed specifically for non-certified students who have bachelors' degrees in an academic discipline and who wish to earn a teaching certificate at the elementary level.

Master of Professional Studies

The Master of Professional Studies degree is offered in humanistic/multicultural education. This program is designed for individuals who are involved in education in its broadest sense by seeking to help others develop their intellectual capacities, expand their self-knowledge, develop interpersonal skills, or foster humane working, learning or living situations. Students currently enrolled include individuals in the helping professions and teachers with certification in special subjects such as family-consumer science, health, music, physical education, and technology.

Master of Arts

The Master of Arts degree may serve as a complete program in a specific discipline or as a first stage of graduate study. If a student has initial certification at the secondary level in the same discipline as the MA, application for professional certification may be made upon completion of the degree, providing the student has at least two years of full-time teaching experience in the area of certification.

Master of Arts: Art Studio

The Master of Arts degree in Art Studio program offers concentrated study in ceramics, metal, painting, printmaking and sculpture. It also offers a new summer-intensive interdisciplinary concentration where students share studio space with visual art education students. The MA in Art Studio program's professional goals are substantially different from those of the MFA degree. Admission into the MA in Art Studio program and completion of some or all of the program's requirements does not insure continuation into the MFA program. A student enrolled in the MA who wishes to transfer into the MFA must request a faculty review after the completion of 12 credits in residence in the area of concentration, and be approved by the faculty for continuation in the MFA program.

Master of Science

Communication Disorders. The Department of Communication Disorders offers two concentrations leading to the Master of Science. Speech-Language Pathology and Speech and Language Disabilities lead to New York State licensure and ASHA certification in speech-language pathology. The "Speech and Language Disabilities" concentration allows the student to earn New York State teacher certification as a Teacher of Students with Speech and Language Disabilities. This program has two tracks, one for students entering at the graduate level, and one for students who have completed the "linked" undergraduate certification track major at SUNY New Paltz.

Computer Science. The computer science program is designed to provide students with a strong foundation for advanced professional work or doctoral study in the computer field. Courses are offered in computer software, hardware, theory, and mathematics. This graduate-level program requires 30 credit hours selected from three course categories, allowing for both breadth and depth of study. To accommodate part-time students, most graduate courses are offered in the late afternoon or evening and meet once a week. Teaching assistantships are available on a competitive basis. The

program does not require a baccalaureate degree in computer science.

Electrical Engineering. The Electrical Engineering program offers courses in electromagnetic fields and waves, telecommunications, electronics, and control systems. The program has two options: thesis and non-thesis. The thesis option emphasizes research and requires submission of a thesis in addition to taking advanced core and elective courses in electrical engineering. This option requires the completion of 30 credits, 24 course credits and 6 thesis credits. The non-thesis option requires completion of 30 course credits and successful passing of a comprehensive examination. The program, which can be pursued either full- or part-time, is designed to serve recent graduates and practicing engineers who need in-depth knowledge in the rapidly changing and expanding areas of electrical engineering beyond what can be included in the traditional bachelor's program.

Music Therapy. The Master of Science in Music Therapy is a 48- credit program designed to provide students with a comprehensive education in Music Therapy at the advanced level. A second purpose of this program is to comply with the new requirements as set forth by New York Article 163 that requires Music Therapists to become licensed creative arts therapists in New York. The program meets the guidelines for the approval of academic programs in music therapy as set forth by the National Association of Schools of Music, the American Music Therapy Association, and the *Commissioner's Regulations – Sec. 52.34 Creative Arts Therapy*.

Mental Health Counseling. The Mental Health Counseling program offers students the opportunity to pursue a specialized course of study leading to a 48-credit Master of Science degree in Mental Health Counseling. It serves both students seeking licensure as mental health counselors and those who intend to eventually proceed into doctoral programs. Degree requirements cover a core curriculum and specialized courses. Three required fieldwork courses provide unique, varied and intense hands-on mental health counseling training experiences under supervision of licensed professionals.

Nursing. The Department of Nursing offers a 42-credit curriculum for the Master of Science degree with a concentration in Adult Health Nursing. The program can be completed in 2-3 years of part-time study. Program graduates are eligible for the American Nurses Credentialing Center Medical Surgical Clinical Nurse Specialist examination leading to the credential Advanced Practice Registered Nurse, Board Certified (APRN, BC). A Certificate of Advanced Study is also offered for master's prepared nurses leading to board certification as CNS Medical Surgical Nursing. The program is designed to provide the foundation for post-masters and doctoral studies.

Master of Business Administration

The Master of Business Administration program will prepare career-oriented individuals for a broad range of management responsibilities, with a focus on a concentration specialization. The MBA program will enable students to take managerial and professional leadership roles in regional, national, and international enterprises.

Master of Fine Arts

The Master of Fine Arts degree program is a 60-hour program specializing in ceramics, metal, painting/drawing, printmaking and sculpture (photography and graphic design). Candidates holding a master's degree may petition the department to transfer a maximum of 30 credits toward the 60-credit requirement.

Certificate of Advanced Study

The Certificate of Advanced Study program is a 60-hour program (30 hours beyond the master's degree) leading to professional certification, and to the College's Certificate of Advanced Study. The following specializations are offered: School Leadership, Alternative Certificate: School District Leader (Transition D) and School Business Leadership.

The **Certificate of Advanced Study, Clinical Nurse Specialist (CNS) Adult Health**, is an 18-credit program designed for students who hold a master's degree with a concentration in nursing. Graduates will be prepared for the American Nurses Credentialing Center (ANCC) board examination in the specialty of adult health/medical surgical nursing. Upon successful examination the applicants' credential will be APRN,BC (Advanced Practice Registered Nurse, Board Certified).

DEADLINES

MANY DEPARTMENTS HAVE SPECIFIED DEADLINES FOR ADMISSION OR MAY ONLY ACCEPT STUDENTS ONCE PER YEAR. FOR A COMPLETE LISTING OF APPLICATION DEADLINES, PLEASE VISIT THE GRADUATE SCHOOL WEB PAGE FOR DETAILS AT: www.newpaltz.edu/graduate

REGISTRATION

1. Enrollment in some courses is restricted to matriculated students, and many courses have prerequisites. Please refer to the current Schedule of Classes. If you wish to pursue the Master's degree or the Certificate of Advanced Study, you may **not** take more than 6-9 credits, depending on the department that you are applying to, without matriculating.
2. Matriculated graduate students may self-register via web-registration; they are not required to obtain advisors' signatures for registration.

FINANCIAL AID

All need-based aid is considered only after the college receives the FAFSA. This form is available from most secondary and post-secondary institutions. Please call (845) 257-3250 for further information.

A limited number of graduate assistantships are available. Please contact your department for further information about qualifications, stipends, and responsibilities.

ACCREDITATION

SUNY New Paltz is fully accredited by the Middle States Association of Colleges and Secondary Schools and The National Council for Accreditation of Teacher Education and is approved as a degree-granting institution by the Trustees of the State University of New York and the Regents of New York State. The University is approved for Teacher Certification by the New York State Education Department. At the master's level, the Literacy Education B-6 and 5-12 programs are both nationally recognized by the International Reading Association; the art programs are accredited by the National Association of Schools of Art and Design; the nursing program is accredited by the Board of Nursing of New York Education Department and the National League of Nursing; and the communication disorders program is accredited by the American Speech-Language Hearing Association.
