MSC Diversity Project

"This world is not filled with people who look alike, think alike, or act alike. At Morrisville State College, we strive to provide the kind of environment, a diverse environment that resembles the world our students will live in when they graduate.

It is our goal that the learning environment at Morrisville State College truly reflects the wonderful and rich diversity of America - the beautiful mosaic that includes so many cultures."
-Morrisville State College Diversity Statement

Please join in the "THIS IS MORRISVILLE" diversity project on Thursday, Oct. 22 from 12-3 p.m. in STUAC. Create a sign, visit the photo booths and have your picture taken. Make a powerful statement supporting our strength and diversity. "THIS IS MORRISVILLE" is both an art project and celebration of diversity. It is about making MSC a place where everyone belongs.
