IMPORTANT

Change in Texas Apportioned Registration Requirements

Texas is a Performance and Registration Information System Management (PRISM) compliant jurisdiction.

The following will be required for all Texas apportioned applications with a June 2008 or later expiration BEFORE they will be processed:

- **USDOT numbers for IRP Account Registrant AND Motor Carrier Responsible for Safety (CRFS)**
- **Federal Employer Identification Number (FEIN)**

For information regarding USDOT Numbers, please visit https://li-public.fmcsa.dot.gov/LIVIEW/PKG_REGISTRATION.prc_option

What is PRISM?

Performance and Registration Information System Management (PRISM) was developed by the United States Department of Transportation (USDOT) Federal Motor Carrier Safety Administration (FMCSA) to:

- Improve safety performance through education, safety monitoring and registration sanctions
- Reduce the number of commercial vehicle crashes by getting the unsafe driver off the road
- Enhance the process for targeting high-risk, non-compliant motor carriers

By identifying the motor carriers responsible for safety of these vehicles, PRISM facilitates the use of information collected from FMCSA to:

- Determine motor carrier safety ratings
- Place unsafe motor carriers in the Motor Carrier Safety Improvement Process (MCSIP)
- Allow systematic tracking of unsafe motor carriers and their improvement

How does PRISM affect the Texas IRP registration process?

This new Texas IRP Registration requirement assists FMCSA by collecting information to:

- Identify the **IRP account registrant** (entity to whom the vehicle registration and the plate is issued) through a USDOT number
- Identify the **motor carrier responsible for safety** (CRFS - the person or company who pays for the load on the truck) of the vehicle at the time of registration through a USDOT number
- Determine the safety fitness rating of the vehicle/operator prior to issuing vehicle registration
- Suspend vehicle registration when an FMCSA out-of-service order is issued

FMCSA began requiring USDOT registration information to be updated annually by completing a **Motor Carrier Identification Report (MCS-150)**.

CARRIERS WHO DO NOT UPDATE THEIR INFORMATION WILL BE DENIED REGISTRATION

To ensure that June 2008 registration renewals are processed without any delay, registrants must have updated USDOT registration information since June 2007. **New applicants and all updates to the MCS-150 should be completed online at https://li-public.fmcsa.dot.gov/LIVIEW/PKG_REGISTRATION.prc_option for immediate processing. Forms received through the mail will take approximately 6 – 8 weeks to process.**

DO NOT SEND YOUR MCS-150 FORM TO TXDMV

******Any MCS-150 forms received by TXDMV will be forwarded to FMCSA for processing******

What Additional Information is Needed to Register?

A. If IRP account registrant and motor carrier responsible for safety (CRFS) are the same: IRP account registrant is responsible for the following before submitting the renewal application:

- Update USDOT registration information (MCS-150)
- Provide USDOT number and Federal Employer Identification Number (FEIN) for each vehicle
- Indicate if motor carrier responsible for safety of each vehicle will change during the year

B. If IRP account registrant and motor carrier responsible for safety (CRFS) of all or some of the vehicles are different:

IRP account registrant is responsible for the following before submitting the renewal application:

- Update USDOT registration information (MCS-150)
- Provide motor carrier responsible for safety USDOT number and FEIN for each vehicle (each vehicle could have a different USDOT and FEIN)
- Indicate if motor carrier responsible for safety of each vehicle will change during the year

REFER TO THE FOLLOWING INSTRUCTIONS FOR MORE INFORMATION REGARDING COMPLETION OF YOUR TEXAS APPORTIONED RENEWAL APPLICATION

IMPORTANT APPORTIONED REGISTRATION RENEWAL INFORMATION

Requirements for the Renewal Form Schedule B

THE PHYSICAL ADDRESS IS WHERE THE REGISTRANT HAS AN ESTABLISHED PLACE OF BUSINESS. THIS ADDRESS MUST BE IN THE STATE OF TEXAS AND CANNOT BE A POST OFFICE BOX. PLEASE VERIFY THAT THE PHYSICAL AND MAILING ADDRESS ON YOUR RENEWAL FORM SCHEDULE B ARE CORRECT.

TAX ID (EIN)

An Employer Identification Number (EIN) is also known as a Federal Employer Identification Number (FEIN) and is used to identify a business entity. Due to PRISM implementation, ALL carriers are REQUIRED to provide an FEIN. FEIN applications can be completed online at <http://www.irs.gov> or your local IRS office.

USDOT

The United States Department of Transportation (USDOT) number is the identification number that the Federal Motor Carrier Safety Administration (FMCSA) assigns to each motor carrier that conducts interstate operations.

Due to PRISM implementation, ALL carriers are REQUIRED to provide their USDOT number. FMCSA requires USDOT information be updated annually by completing a Motor Carrier Identification Report (MCS-150).

USDOT initial applications and updates can be completed online at https://li-public.fmcsa.dot.gov/LIVIEW/PKG_REGISTRATION.prc_option or contact the Federal Highway Administration at 1-800/299-1700, options 8 and 2.

TX MCR

The Texas Department of Transportation Motor Carrier Registration (MCR) number is also known as a Texas DOT number and is issued to motor carriers operating intrastate. This number may be found on the MCR Insurance Cab Card Certificate.

MCR/Texas DOT applications can be completed online at www.txdmv.gov or contact the Motor Carrier Division at 1-888/368-4689, options 3 and 1.

DISTANCE CODE INDICATORS

Do not indicate 0 distance traveled for any jurisdiction. The distance codes are as follows:

- A = Actual distance accrued for each vehicle in the apportioned fleet.
- 1 = 1st year estimate (used only when adding a new jurisdiction on your apportioned fleet that has not previously been on your cab card or when the entire fleet has not been in operation for the prior 18 months)
- 2 = 2nd year estimate (used when keeping a jurisdiction on your apportioned fleet that did not accrue actual distance during the requested distance reporting period)
- N = Non-prorated distance (used when removing a jurisdiction from your apportioned fleet that had actual distance accrued during the requested distance reporting period)

On the renewal application please check (✓) the box next to the desired jurisdiction(s). Record and code the distance traveled by the entire fleet for each jurisdiction for the requested distance reporting period (July 1st through June 30th).

An estimated distance chart (see page 9) showing average miles per vehicle for Texas based carriers has been provided. **MULTIPLY THE "AVERAGE DISTANCE" SHOWN ON THE CHART BY THE NUMBER OF VEHICLES IN THE FLEET TO DETERMINE THE TOTAL ESTIMATED DISTANCE TO BE REPORTED ON THE SCHEDULE B.** You may use the enclosed **SCHEDULE G** (see page 10) when calculating your own estimated distances. In accordance with the International Registration Plan, these distances must be approved by TxDMV and may be adjusted.

Large distance estimates in jurisdictions having low registration fees will cause the application to be questioned and proof of operations will be required.

REQUIRED INFORMATION FOR RENEWAL FORM SCHEDULE A

The Schedule A is the current vehicle equipment list registered in the fleet.

VEHICLE EQUIPMENT LIST (SCHEDULE A)

Please review all vehicles listed on the Schedule A for accuracy and provide any missing information. Changes to a vehicle or vehicle deletions must be marked in the action box using the following codes:

- C = Changes to vehicle(s)
- D = Delete vehicle(s)

Any vehicles that have been added to the fleet but not shown on the Schedule A may be listed on the additions page under the correct weight group.

WEIGHT GROUPS

Weight Groups are identified by vehicle type (Truck Tractor, Truck, Bus or Trailer), CGVW and Description.

Beginning July 1, 2008 new weight groups created will display identical weights based on the registered CGVW for all jurisdictions listed on the cab card. Existing weight groups will not be affected unless an edit is made to the group. All edits and weight variances greater than 10% of the registered CGVW, within a single weight group, will require submission of a business plan and the Texas International Registration Plan Cab Card Weight Schedule form VTR-357 for approval.

Vehicle abbreviations that are used in TxIRP:

- TT = Truck Tractor
- TK = Straight Truck
- ST = Semi Trailer
- FT = Full Trailer
- BS = Bus

FEIN

A Federal Employer Identification Number is required for each vehicle in the fleet. FEIN applications can be completed online at www.irs.gov or at your local IRS office.

SPECIAL USES

Several jurisdictions calculate their registration fees based on vehicles that perform non-standard operations. Such uses for these vehicles are:

- **Carnival** = Jurisdiction(s) affected: MI
- **Dump Truck** = Jurisdiction(s) affected: MD, WA
- **Farm Truck** = Jurisdiction(s) affected: MD, MS, OH
- **Household Goods Carrier** = Jurisdiction(s) affected: MI, NY
- **Pump/Drill/Crane** = Jurisdiction(s) affected: UT
- **Logging Truck** = Jurisdiction(s) affected: MN, WA
- **Wrecker** = Jurisdiction(s) affected: IN, MD, MI, QC
- **Small Miles/Special Use** = Jurisdiction(s) affected: CO

Unique cab card weights

- Alabama – QUAL displays for vehicles over 80,000 lbs
- Quebec – Number of AXLES displays for up to 6 axles, 6+AXLES displays for over 6 axles

Buses

Cab cards for buses may display the following in lieu of CGVW:

- Number of seats
- QUAL

Proof of Heavy Vehicle Use Tax (HVUT), IRS Form 2290

Due to Federal law, proof of payment of the **FEDERAL HEAVY VEHICLE USE TAX (HVUT)** is required when licensing vehicles at 55,000 pounds or more gross weight or combined gross weight in any jurisdiction. Please ensure that the vehicle identification number for each unit listed on the Form 2290 matches exactly as shown on the Schedule A (vehicle equipment list). Proof is not required on new or used units being titled and registered within sixty (60) days of the date shown on the receipt for application of Texas title or vehicles registered below 55,000 pounds.

Acceptable proof of payment is a copy of a **RECEIPT STAMPED** Internal Revenue Service (IRS) Schedule I (Form 2290) for the correct tax period. **REFER TO PAGE 13 FOR THE CORRECT TIME PERIOD(S). Carriers with 25 or more vehicles are required by law to file electronically and** will be sent a PDF file by the IRS that should be printed out and sent to TxDMV as proof of payment of the HVUT. The PDF document will have a special water mark on the Schedule I which says "IRS e-file" and shows "Received MM/DD/YYYY."

In lieu of a **RECEIPT STAMPED** Schedule I (Form 2290), proof of payment electronically filed with IRS indicating the special watermark on the Schedule I (Form 2290) or a copy of your Form 2290 with Schedule I (Form 2290) **AND** copies of both sides of the canceled check will be acceptable proof of payment.

If you use owner/operators, copies of their **RECEIPT STAMPED** Schedule I (Form 2290) or copies of their Form 2290 (with Schedule I) **AND** copies of both sides of their canceled check **MUST BE INCLUDED**.

THE ABOVE FORM MUST ACCOMPANY YOUR RENEWAL OR THE APPLICATION CANNOT BE PROCESSED.

Questions regarding HVUT Form 2290 should be directed to the INTERNAL REVENUE OFFICE at 1-866/699-4096 or to a local IRS office. Forms and instructions are available online at www.irs.gov/formpubs.

Proof of Financial Responsibility

The State of Texas has a mandatory financial responsibility law. **THE MOST COMMON PROOF OF FINANCIAL RESPONSIBILITY IS A LIABILITY INSURANCE CARD ISSUED TO THE POLICY HOLDER BY THE INSURANCE COMPANY.**

Examples of other types of acceptable proof include current insurance policies and binders, pool coverage documents and certificates of self-insurance, bond, etc. **NON-TRUCKING AND BOBTAIL INSURANCE ARE NOT ACCEPTABLE.**

IF YOU ARE REGISTERED AS A MOTOR CARRIER WITH THE TEXAS DEPARTMENT OF TRANSPORTATION, YOU MAY SUBMIT A COPY OF YOUR MOTOR CARRIER INSURANCE CAB CARD CERTIFICATE.

LEASES: WHEN THE LESSOR PROVIDES THE INSURANCE AND THE INSURANCE DOCUMENTS REFLECT THEIR NAME, A COPY OF THE LEASE AGREEMENT WITH THAT COMPANY MUST BE INCLUDED WITH YOUR APPORTIONED RENEWAL APPLICATION. Please submit legible photocopies for proof of financial responsibility.

QUESTIONS ABOUT PROPER PROOF OF FINANCIAL RESPONSIBILITY SHOULD BE DIRECTED TO YOUR INSURANCE COMPANY OR YOUR LOCAL VTR REGIONAL OFFICE.

RENEWAL SCHEDULE G

Account _____ **Account Name** _____ **Reg Year** _____

This form should only be used if you do not wish to use the estimated distance chart on page 9 of these instructions. The **SCHEDULE G** is used when calculating your own estimated distances. In accordance with the International Registration Plan, these distances must be approved by TxDMV and may be adjusted.

Instructions: For each trip list the **first bordering city** upon entrance of the Jurisdiction which you plan to travel through, indicate the estimated distance times each trip, per each vehicle designated to travel through that Jurisdiction. This will determine the total estimated distance to report on the Schedule B. Detach the Schedule G and return with your renewal application. Carriers processing renewals online will be required to submit the Schedule G to TxDMV along with any other required documents.

FACE-TO-FACE HELP

IRS Taxpayer Assistance Centers are your source for personal tax help when you believe your tax issue cannot be handled online or by phone, and you want face-to-face assistance.

If you need to resolve a tax problem, have questions about how the tax law applies to your individual tax return, or you're more comfortable talking with someone face-to-face, visit your local Taxpayer Assistance Center where you can spread out your records and talk with an IRS representative across the counter. No appointment is necessary – just walk in. A Recreational Vehicle, a Vehicle displaying Restricted Plates, a bus used in the transportation of chartered parties or a government-owned Vehicle, is not an Apportionable Vehicle; except that a Truck or Truck Tractor, or the Power Unit in a Combination of Vehicles having a gross Vehicle weight of 26,000 pounds (11,793.401 kilograms), or less, and a bus used in the transportation of chartered parties, nevertheless may be registered under the Plan at the option of the Registrant.

The applicant or registrant need not have land line telephone service at the physical structure. Operational records concerning the fleet shall be maintained at this physical structure (unless such records are to be made available in accordance with the provisions of Section 1020).
