

Understand your interest rate options

*Wells Fargo offers you the choice of variable and fixed interest rates.
Each option has unique advantages to consider before choosing your rate.*

How are they different?

Variable interest rates

- Generally provide a lower initial rate than fixed rates
- The interest rate may increase or decrease over the life of the loan
- Monthly payments may increase or decrease over the life of the loan

Fixed interest rates

- The interest rate remains the same over the life of the loan
- Allow you to better predict how much total interest you'll pay on your loan
- Monthly payments will remain the same over the life of the loan

Included are two Application Disclosures; one for the variable interest rate and one for the fixed interest rate. The Application Disclosures will help you understand the terms of the loan program and the cost of taking the loan.

Please review the pages carefully before choosing your interest rate.

Loan Interest Rate & Fees

Your **starting interest rate** will be between

3.74 %

and

8.49 %

After the starting rate is set, your rate will then vary with the market.

Your Starting Interest Rate (upon approval)

The starting interest rate you pay will be determined after you apply. It will be based upon your credit history and other factors, including cosigner credit and your/cosigner's relationship with the Bank. If approved, we will notify you of the rate you qualify for within the stated range.

Your Interest Rate during the life of the loan.

Your rate is variable. This means that your rate could move lower or higher than the rates on this form. The variable rate is based upon the Prime Rate (a publicly available interest rate we use to set the variable rate). For more information on this rate, see the reference notes.

Although your rate will vary, **it will never exceed 18%** (the maximum allowable for this loan).

Reference Notes

Variable Interest Rate

- This loan has a variable interest rate, that is based on a publicly available index, the Prime Rate. Your rate will be calculated each month by adding a margin between 0.49 % and 5.24 % to the Prime Rate. The Index (which is equal to the Prime Rate) is subject to a contractual minimum of 3.25 %.
- The rate will not increase more than once a month and will never exceed 18 % (the maximum allowable for this loan).
- **Wells Fargo Relationship Discount** - The Wells Fargo Relationship Discount will apply for the life of the loan if the borrower or any cosigner has a Qualified Relationship with the Bank at any time between the application and issuance of the Final Disclosure. Please ask the Bank about what constitutes a "Qualified Relationship" if you have any questions about this feature. Further Relationship Discount details are set forth in the Loan Request/Consumer Credit Agreement.
