**THE RHODE ISLAND**

# Master Composter & Recycler Program

## Fall 2007

Sponsored by:

~ RI Resource Recovery Corporation

~ URI College of the Environment & Life Sciences Extension & Outreach Center

# What is the Master Composter & Recycler Program?

In an effort to reduce the amount of waste that is sent to the state landfill, the Rhode Island Resource Recovery Corporation and the University of Rhode Island have partnered to offer a five-week training and outreach program to educate RI citizens about:

~ The need to reduce the quantity of materials sent to the RI landfill as trash.

~ The benefits to homeowners & local communities that result from composting & recycling.

~ The science and art of composting.

~ How to create a successful backyard compost operation.

~ Larger scale and innovative composting methods.

~ Effective ways of communicating the composting and recycling message to others.

## Class Details

Class dates & time: **November 27- December 11, 2007** ~ 5 Monday evenings, 6:00pm – 8:00pm ~ 2 Saturday day sessions, times vary.
