Study-Abroad Program Evaluation Form

Student Name (optional)	
Campus and Major	
Program Name/Location	
Program Quarter/Year	

Please use an additional sheet of paper if you wish to respond at greater length.

1. Please characterize the instruction you received abroad, judge its quality, and explain its benefits and/or failings. If instruction was in a foreign language, or foreign language instruction was offered, please comment on your progress.
  
2. Describe your living arrangements, how they matched your expectations, and how they contributed to your experience.
  
3. Characterize your interaction with host nationals, such as your home-stay family, roommates, acquaintances, colleagues, etc.
  
4. Comment on any excursions or field trips included in the program.

5. What is the best way to take/transfer money from the U.S.? How much spending money would you recommend (per week, per month) for personal expenses? What was the cost of living like in the country (perhaps give examples of certain costs, i.e. meals)?
  
6. Comment on how your study abroad coursework is related to your on-campus degree program.
  
7. Describe how effectively the program faculty prepared you for your stay abroad with advice, informational sessions, literature, etc.
  
8. Describe how effectively the UWT International Programs office prepared you for your stay abroad with advice, informational sessions, literature, etc.
  
9. Please comment on your overall learning experience. What did you learn from this period spent abroad and how will it contribute to your future (academic, personal, career)? What suggestions do you have to improve/enhance the experience?
