**Inclusive Excellence Action Plan Ideas**

Please use the space below to suggest ideas that should be added to the Inclusive Excellence action plan. The Inclusive Excellence steering committee will use this list to develop the Inclusive Excellence Action Plan.

Ideas for Goal #1: Increase the number of Wisconsin high school graduates from all segments who apply, are accepted, and enroll at UW System institutions

Ideas for Goal #2: Encourage partnerships that build the educational pipeline by reaching children and their parents at an earlier age

Ideas for Goal #3: Close the gap in educational achievement by bringing retention and graduation rates for all student segments in line with those of the student body as a whole

Ideas for Goal #4: Increase the amount of financial aid available to needy students and reduce their reliance on loans

Ideas for Goal #5: Increase the number of faculty, academic staff, classified staff and administrators of all segments so that they are represented at UW-Stout in proportion to their current availability in relevant job pools. In addition, work to increase their future availability as potential employees

Ideas for Goal #6: Foster institutional environments and course development that enhance learning and a respect for inclusiveness

Ideas for Goal #7: Improve accountability at UW-Stout
