

# Grenoble Science Program Fall 2011

## Visa Letter Request Form

This form must be returned to International Programs within two weeks of your acceptance. It is imperative that you indicate the consulate where you will be applying for your visa. A letter will be mailed to you upon receipt of this Visa Letter Request Form and your \$400 deposit and will be addressed directly to the consulate from which you will be receiving your visa. Please read the enclosed Grenoble Visa Application Instructions carefully before completing this form and your visa application.

The visa letter will be addressed to the consulate you checked below but is sent directly to you. You must take this letter with you when applying for your visa.

We cannot issue your visa letter until we have received your \$400 nonrefundable deposit. We will issue only one visa letter per student.
