

Congratulations on your acceptance into the graduate program at CLU. We look forward to welcoming you to our campus in Southern California, and we are eager to assist you in your transition into academic life at CLU.

TO CONTINUE WITH THE ADMISSION PROCESS, PLEASE COMPLETE AND RETURN THE DOCUMENTS THAT ARE CHECKED BELOW:

- Intent to Enroll Form:** Complete the enclosed Intent to Enroll Form and return it to CLU immediately upon receipt of admission letter.
- International Student Financial Responsibility Statement:** Complete and return the enclosed International Student Financial Responsibility Statement, verified by a bank or financial institution and/or certified by your government student aid approval agency if appropriate. It is very important that your verified financial information be received by CLU as soon as possible, as any delay may jeopardize the processing of your I-20 immigration form, which is necessary before you can apply for a student visa.
- Application for SEVIS Form I-20:** Complete and return the enclosed Application for SEVIS Form immediately upon receipt of admission letter. All applicants holding or requiring F-1 student, non-immigrant status are required to complete this form before an I-20 immigration form will be issued.
- Transfer Form:** If you are currently attending another school in the U.S., please have your current International Student Adviser or appropriate Designated School Official complete this form and fax it to CLU at (805) 493-3861.

ADDITIONAL DOCUMENTS INCLUDED:

- **SEVIS Fee information:** The United States Department of Homeland Security (DHS) has implemented a rule that persons applying for F-1 visas with an I-20 or DS-2019 form must pay the Student Exchange Visitor Information System (SEVIS) Fee before applying for their visas (See Sevis Fee Information Form). If this box is checked you are required to pay the fee.
- **Pre-Departure Information for International Students:** This is to assist you in planning your trip to the United States. It contains information on making travel arrangements, arriving in the U.S., ground transportation, move-in to Graduate Housing, and mandatory orientation information.
- **New Student Orientation:** Provides dates and important document information for a mandatory New Student Orientation.
