ADDITIONAL COMMENTS:

The following are sample questions that some universities may ask you to address when writing your letter. Please use as a guide.

1. How long and under what circumstances have you known the applicant?
2. What exceptional strengths does the applicant possess?
3. What particular characteristics have you observed which you feel might hinder the applicant's career in medicine?
4. How well does the applicant get along with others?
5. Is the applicant altruistic?
6. How does the applicant handle stressful situations?
7. How would you assess the applicant's emotional maturity?
8. Has the applicant demonstrated integrity and professionalism in their interactions with others?
9. Of all the premedical students you have known, would you rate the applicant in the upper 1%, 5%, 10%, 25% or lower on the basis of personal characteristics?
10. If possible please state and support a compelling reason why you feel the applicant should or should not become a physician.
