

IVFI 2012-2013 INDEPENDENT STUDENT VERIFICATION WORKSHEET

Your 2012–2013 Free Application for Federal Student Aid (FAFSA) was selected for verification. Before awarding Federal Student Aid, you must confirm the information you and your spouse, if married, reported on your FAFSA. To verify that you provided correct information, Broward College will compare your FAFSA with the information on this worksheet and with other required documents. If there are differences, your FAFSA information must be corrected. You complete and sign this worksheet, attach required documents, and submit the form and other required documents to the Broward College Student Financial Services Office closest to you. Broward College may ask for additional information. If you have questions about verification, contact your Student Financial Services Office as soon as possible so that your financial aid will not be delayed.

B. Tax Forms and Income Information

- TAX RETURN FILERS—Important Note:** If the student (or spouse, if married) filed, or will file, an amended 2011 IRS tax return, contact the financial aid office before completing this section.

Instructions: Complete this section if the student filed or will file a 2011 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student has not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. Follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2011 IRS income tax information into the student's FAFSA. It takes up to 2 weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to 8 weeks for paper IRS tax return filers. If you need more information about how to use the IRS Data Retrieval Tool, see your financial aid administrator.*

Check the box that applies:

- I have updated my FAFSA data using the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2011 IRS income information into the student's FAFSA.
- I am attaching an IRS tax return transcript to this worksheet.

For all tax filers whose financial information was (or should have been) reported on your application, please check below and attach a 2011 tax return transcript.
