### Transfers from an American Express Australia issued Credit Card

If you hold an existing American Express Australia issued Credit Card and you have requested us to close your existing Credit Card account, any outstanding balances, including balance transfers on the existing Credit Card will be transferred to the new Credit Card. From the date of transfer, these balances will attract the standard interest rate applicable to the new Credit Card. Any promotional Balance Transfer interest rate will not apply to these balances.

### Balance Transfer Conditions

#### Important notes on your application

- You may make 12 balance transfers of your outstanding balances with other credit card accounts in a 12-month period up to 100% of the available Credit Limit (Credit Limit less previous balance less all new Charges) on your American Express Credit Card ("Credit Card").
- You must continue to make payments to the designated credit card issuing companies or financial institution until you receive a statement confirming that your account has been credited. We will not be held liable for any overdue payment or interest incurred.
- Payments to the credit card issuing companies or financial institutions will normally be completed within 14 working days from receipt of your request. We will advise you when the payment is made.
- You will not earn Membership Rewards points on the amount transferred.
- Balance transfer promotional interest rate is only valid for the period stipulated in the offer that you have accepted. After the promotional period, you'll enjoy our prevailing interest rate applicable to you.

#### Restrictions on transfers

- We reserve the right to refuse any balance transfer requests.
- We cannot accept transfers from:
  - credit cards in foreign currencies;
  - other American Express Cards, except for Cards issued by independent American Express Network Partners;
  - cards not issued in Australia; and
  - a card account that is in overdue or over credit limit status.
- We will not process balance transfer requests:
  - for amounts less than \$100. Transfer amounts will be rounded up to the nearest dollar.
  - if any of your Credit Card(s) is/are not in good standing or in overdue or over credit limit status.
  - if at the time of the request, you have drawn the maximum cash advance permitted on your Credit Card account.
- If an increase in your credit limit is required to complete your balance transfer, you request us to make an increase by up to 50% of your current credit limit (unless a specific increase offer is made by us). Any increase will be subject to a review of your Credit Card account and we reserve the right to decline your balance transfer application should we decide not to increase your limit. Any increase will be advised in your next statement and will be rounded up to the nearest \$100.

#### Conditions applying once a balance is transferred

- We will charge interest on any balance transfer at the applicable annual percentage rate on a daily basis from the date that your balance transfer request is approved until you repay the transferred amount in full.
- If your Credit Card account is not maintained in good standing at anytime, we may adjust the interest rate applied to the balance transfer.
- All payments to your Credit Card account are applied first to transferred balances, including transferred balances benefiting from promotional interest rates. Minimum payment requirements of the Credit Card account apply to balance transfers. There are no interest free days on balance transfers.
- The Terms and Conditions contained herein form part of the Credit Card Conditions governing the use of the Credit Card and shall be interpreted accordingly.

<sup>^</sup>Your monthly payments will first repay the balance you have transferred before reducing other amounts such as new purchases.
