Statement of Interest:

Briefly describe what has influenced your career path so far, your professional aspirations and why you are interested in this course.

Programming Experience:

Please summarize your programming experience; describe the largest programming project you have worked on, the languages and tools used, the size of the team, and your role in the project.

NOTE: This course is for non-degree students (individuals not enrolled in a CMU-R graduate degree program). Student will be registered as a CMU-R student, and will receive credit that can be applied as elective credits toward a CMU-R graduate degree if a student subsequently enrolls in a CMU-R graduate degree program.
