About This Emphasis . . .

This program is designed for students who have completed the Police Academy Program at Western Colorado Community College. The Criminal Justice A.A.S. degree incorporates the instruction in the Police Officer Standards and Training (POST) training that is gained from the Police Academy. Students in the A.A.S. degree program must complete the general education requirements and choose additional courses in law enforcement related studies.

Upon successful completion the requirements, the student would be awarded an A.A.S. degree in Criminal Justice by Mesa State College. Completion of the A.A.S. degree in Criminal Justice may provide graduates with additional promotional opportunities. Law enforcement agencies in some areas require an A.A.S. degree for entry-level positions.

POLICIES:

- 1. It is your responsibility to determine whether you have met the requirements for your degree. Please see the MSC Catalog for a complete list of graduation requirements.
2. You must turn in your "Intent to Graduate" form to the Registrar's Office by September 15 if you plan to graduate the following May, and by February 15 if you plan to graduate the following December.
3. This program sheet must be submitted with your graduation planning sheet to your advisor during the semester prior to the semester of graduation, no later than October 1 for spring graduates, no later than March 1 for fall graduates.
4. Your advisor will sign and forward the Program Sheet and Graduation Planning Sheet to the WCCC for signature.
5. Finally, the WCCC or the department administrative assistant will take the signed forms to the Registrar's Office. (Students cannot handle the forms once the advisor signs.)
6. If your petition for graduation is denied, it will be your responsibility to reapply for graduation in a subsequent semester. Your "Intent to Graduate" does not automatically move to a later graduation date.
7. NOTE: The semester before graduation, you may be required to take a Major Field Achievement Test (exit exam).
