ATTENTION ALL UPCOMING STUDENT TEACHERS!

DON'T MISS THIS VALUABLE OPPORTUNITY TO BOOST YOUR TECHNOLOGY SKILLS AND BECOME A MICROSOFT INNOVATIVE EDUCATOR

Overview

This two-day workshop will engage pre-service student teachers on how to incorporate Microsoft technologies and applications from other platforms into teaching and learning. Participants will learn to use innovative free tools, and by the end of the two-day workshop, each participant will be a certified **Microsoft Innovative Educator (MIE).** In addition to obtaining great skills, this is a resume builder and will set you apart from other candidates for teaching positions!
