I -- ☐ Planned, ☐ Led, ☐ Assisted with, ☐ Only observed, -- **the ritual.**

Describe what you know about the preparation for the ritual and the resources used.

Describe what was done and what you saw and heard.

Describe if and how it was integrated into the rest of the service.

Evaluate how effectively the ritual was planned, prepared, and carried out, and how did people respond to it.

In what ways was the ritual personalized for these persons and this occasion?

How could the ritual be improved?

What new things did you experience that you want to remember?
