ORU MAKE NO LITTLE PLANS HERE

MEDICAL ASSESSMENT & IMMUNIZATION INFORMATION

For Office Use Only

Student Health Requirements

As part of the admissions process for Oral Roberts University, students are required to provide a completed Medical Assessment which includes a Medical History, a Physical Examination, Physician's Recommendations for Exercise, and Immunization Record. All responses must be in English. The Medical Assessment must be dated one year or less before the beginning of the enrollment term, must list any physical limitations or medical restrictions for physical education activities, and must be signed by the examining physician.

You are required to provide this information to attend ORU. Please complete this form with your health care provider and return it either by mail, fax, or personal delivery to:

13. Skin—complexion, rash, scars			
14. Neuro—reflexes			
15. Joints—hips, knees, ankles, toes, wrist, shoulder			

ALLERGIES: Which of the following applies to this patient? (List specific substance):

❑ Allergic to antibiotics _____ ❑ Takes allergy shots _____

❑ Allergic to other medications _____ ❑ Takes allergy medication _____

❑ Allergic to pollens _____ ❑ Currently takes other medications _____

❑ Allergic to foods _____ ❑ Allergic to other substances _____

Are there any recommendations for special dietary requirements? ❑ Yes ❑ No [Specify] _____

Are there any recommendations for special housing considerations? ❑ Yes ❑ No [Specify] _____

Is this individual under care for a chronic condition or serious illness? ❑ Yes ❑ No *If so, please list recommendations for care of this individual:* _____

Please attach physician letter if more space is needed. **Is a letter from the physican attached?** ❑ Yes ❑ No

To the Physician

Oral Roberts University believes in developing the whole person: body, mind, and spirit. The health, physical education, and recreation (HPER) department strives to develop a personal fitness program for every individual according to his or her physical ability. Requirements normally include a 2-mile run or walk, a 5 ½ mile cycle, or an 800-meter swim each semester—each done within a specified timeframe according to age and sex. Your recommendations would greatly assist us in performing this task.

Physician's Recommendations for Exercise *(To be completed by physician)*

❑ **NO Restrictions for an exercise program.** ❑ **Restriction recommendation as follows:**

Due to the nature of this student's injury, illness, or physical limitation (specify) _____,

I advise that physical education activities be restricted:

❑ Less than 6 weeks _____ ❑ More than 6 weeks _____ ❑ Permanently

The following activities ARE recommended for this individual:

❑ walking	❑ cycling	❑ weight training/calisthenics
❑ jogging	❑ stationary cycling	❑ arm crank exercises
❑ swimming	❑ sports activities	❑ supervised treadmill walking

This form MUST be signed (or stamped) by Health Care provider in order to be valid.
