Memo: University Curriculum Committee

From : Ann Calahan, Chair  
Core Curriculum Committee

Re: Request from Department of Fine Arts and Music

The Core Curriculum Committee met July 17 to review the request from the Department of Fine Arts.

"These core curriculum may not be selected from the student's major field. Exception: Art majors can use ART 231 to satisfy the V&PA requirement, music majors can use MUSC 247, and the theatre majors can use THEA 207." [footnote 5]

After discussion and review of various programs that are currently "double dipping", the Core Curriculum Committee recommended that the footnote 5 in the 2007-2008 catalog be removed become effective Fall 2008.
