

Congratulations on your admission to RIT!

The Student Health Center is now collecting your health information electronically. Please keep an eye on your RIT e-mail for a notice from us detailing how to access our portal to complete this process. The e-mail will have the subject "Important items for your To Do list from the RIT Student Health Center."

If you do not receive this notice by May 31st please contact the RIT Student Health Center at (585) 475-2255.

Thank you.
