Dear Band Member:

Congratulations!!! You have been invited to perform with "...the most exciting band on the planet....the world famous "OCEAN OF SOUL" MARCHING BAND". You have made a wise decision in choosing to spend the 2006-2007 school year at Texas Southern University, the second largest historically black college and university (HBCU) in the United States. I hope you are ready to experience one of the most exciting and rewarding ventures of your college experience.

As always, we tend to be on the cutting edge in all that we do, so this year all band requirements and information must be downloaded from the band web site at www.tsu.edu/bands. Be sure to read the information carefully as it contains important information for new and returning students. First year band members should also download music to be memorized during band camp for our first performance in August. **Should you need assistance or additional information concerning downloading band materials please contact Professor Joseph Evans at 713-313-7360.** We work in conjunction with a number of departments (Housing, Financial Aid, Food Services, etc.) to make our program proficient and well-organized, so please submit all documents before the due date. Late submissions will cause you administrative difficulties and in some cases lateness will jeopardize your band scholarship and can also cause additional expenses to attend the university. Please be sure to get your physical examination early and **use the document(s) we have provided** because you will be unable to rehearse or perform with us without your physician's approval signature on the required form. **There will be no physical exams given on campus.**

We have an exciting performance schedule this season, so come prepared to have a good time as we compete against other bands in the SWAC and perform for audiences in other venues around the country. Have a safe summer and I look forward to seeing you in July.

Musically,

Richard F. Lee
Director of Bands
