Charity Ball and Golf Tournament
May 6-7, 2011*

The Texas Tech University Health Sciences Center School of Medicine Class of 2014 invites you to be a part of an outstanding event supporting local charities. City Lights is an annual event hosted by the first year medical students of Texas Tech University Health Sciences Center School of Medicine. This year's charity events consist of the 7th Annual City Lights Golf Tournament to be held Friday, May 6, 2011, at the Rawls Golf Course and the 14th Annual City Lights Charity Ball to be held the evening of May 7, 2011, at the beautiful Lubbock Country Club.

The School of Medicine Class of 2014 is proud to host an event that historically has raised over \$270,000 for charities in the Lubbock area. Undoubtedly, this year's event will be recognized community-wide and will raise significant donations for our selected charities, each of which can be read about on the following page.

We are looking for items to be donated to the Silent Auction that is held on the night of the Charity ball. Your involvement will not only provide a tremendous advertising opportunity for your company, but more importantly, it will show your dedication to providing for organizations serving our local community.

Enclosed is a list of the charities that your donation will help. Also attached is a donation form for silent auction items should you choose to donate to City Lights. More information about City Lights can be found at www.ttuhschool.edu/studentservices/citylights. We look forward to hearing from you!

Sincerely,
Rachel Cooley and Robert Cooper
