

# TRINITY UNIVERSITY WOMEN'S CLUB

As a new member of the Trinity community, the Executive Board of the Trinity University Women's Club (TUWC) would like to invite you to come join us. Our organization offers new arrivals, such as yourself or your spouse, an opportunity to meet women from across campus. Club membership is open to all female Trinity faculty and staff, and female spouses, as well as retirees. It is a great way to get to know people, create friendships and learn more about Trinity University in general.

Established in 1946, the purpose of the TUWC is multifaceted: 1) To provide service to the university, 2) To bring together women from across the campus to form friendships, and 3) To maintain a scholarship fund for female students. Business meetings are held four times throughout the year over a light lunch, followed by an interesting and informative program spanning a wide range of topics. Social meetings are held in September, December, March and May, which can range from a brunch, an outing on the riverwalk, a play or a gala dining event.

There are also many special interest groups to join such as the Culinary Capers, the Book Review Group, Dutch Treat Lunches, Stitch in Time, and Walking for Women. Other groups may be added as interests arise.

Our annual membership dues are \$35.00 which go toward general expenses, as well as to our student scholarships. We very much look forward to meeting you and having you join our organization. If you are interested, please complete the application form below and forward to our membership chair for the 2008-09 year, Marsha McGlasson (address below).
