Attachment A: Statement of Intent *(to be completed by the applicant)*

The Statement of Intent should briefly describe your interest in participating in UVSELF, your expectations of participation, your career vision and focus on higher education, as well as your leadership qualities. You should also include examples of your ability to contribute to the University beyond your current role. As part of your statement of intent, include a brief listing of potential topics of interest related to higher education that you would like to explore (you are not limited to the topics listed in the brochure). Please keep your statement to 500 words or less. You may attach your Statement of Intent on a separate piece of paper; however, if you do, please make sure it is titled as such and that your name is on the paper.
