We are trying to get a feel for what your friend is like. We aren't asking you to be overly critical, or to glorify him or her, just to be as honest as you can. It's a big help to get a peer's point of view on an applicant, and we really appreciate the time and effort you spend on this evaluation. Thanks!

1. How long have you known your friend, and what are four adjectives you would use to describe this person? Why?

2. What do you think are your friend's greatest strengths and weaknesses? Please give us as much detail as possible.

4. What qualities in your friend do you value that he or she might not tell us about?
