Complete this section regardless of the number of college credits earned before high school graduation.

48. Is your high school on a Quarter Tri-mester Semester Block System?

49. Senior Year Course Work

Current high school seniors must complete section below.

List all the courses you are taking and plan to take in your senior year (Grade 12) and in the summer before you enroll at Washington State University. **If your plans change later, notify the Admissions Office.** For each course, write the course title and number of units. In each column in which you have recorded course work, also check Semester or Trimester or Other depending on the system your high school uses. Students enrolled in a traditional semester system will record senior-year course work only in columns 1 and 2. Use Column 3 to record course work taken either: 1) during summer school between your senior year and freshman year in college, or 2) during the 3rd term if you are attending a school on a trimester or other system.

Running Start and College-in-the-high-school participants: Include any Running Start (RST) or college-in-the-high-school (CHS) courses taken or to be taken in your senior year. Write the initials "RST" or "CHS" after the course. Use Column 1 for courses taken during fall quarter, Column 2 for winter and spring quarter, and Column 3 for summer quarter.
